

PATENT APPLICATION NO. 10/734,740
ATTORNEY DOCKET NO. T8954.NP.CIP

DECLARATION AND PETITION

As a below named inventor, I hereby declare: that my residence, post office address, and citizenship are as stated below next to my name; that I verily believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled BIODEGRADABLE TRIBLOCK COPOLYMERS AS SOLUBILIZING AGENTS FOR DRUGS AND METHOD OF USE THEREOF, which was filed on December 11, 2003 as THORPE NORTH & WESTERN, LLP Docket No. T8954.NP.CIP, and given United States Application No. 10/734,740, and was amended on _____ (if applicable); that the subject matter of the attached amendment or amendment filed on _____ was part of my or our invention and was invented before the filing date of the original application, above identified for such invention; that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above; and that I acknowledge the duty to disclose information which is material to patentability as defined in § 1.56(a) of Title 37 of the Code of Federal Regulations.

I hereby claim the benefit of the earlier filed patent application filed in the United States Patent and Trademark Office as application no. 09/971,074 filed on October 3, 2001, which in turn claims benefit of Serial No. 60/279,363 filed on March 27, 2001; and, insofar as the subject matter of each of the claims of these applications is not disclosed in the earlier filed pending applications in the manner provided by the first paragraph of Section 112 of Title 35 of the United States code, I acknowledge the duty to disclose material information, as defined in Section 1.56(a) of Title 37 of the Code of Federal Regulations, which occurred between the filing date of the earlier filed applications and the filing date of this application.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these
